The Tucson Waldorf School is committed to a tuition program that helps all families realize their goal of providing an independent Waldorf Education for their children. We strive to make Waldorf Education available to all. To that end, we offer the following:

- **Tuition Assistance:** Tuition assistance is based on total family income, and is available for Grades and 5-day Kindergarten programs (Kindergarten children must be 5 by September 1st, 2014). To apply for tuition assistance, please go to TADS at <http://www.tads.com>.
- **AWSF:** Families also have the opportunity to raise tuition through the *Arizona Waldorf Scholarship Foundation* which allows Arizona State taxpayers to recommend a portion of their taxes directly to a child's tuition at TWS. (AWSF funds can only be applied to grades and 5-day Kindergarten programs--Kindergarten children must be 5 by September 1st, 2014).
- **Sibling Discount** We offer a sibling discount of 10% off tuition for the second child enrolled in our school. This discount increases to 30% for the third child and any additional siblings.
- **DES:** Department of Economic Security (DES) funding is available for families who qualify for DES childcare for the early childhood program.
